## **WHY MAGIC?**

Or, as **Master of Ceremonies** I look after your guests and keep your special day running smoothly. I will introduce the key stages of your day and ensure everyone's in the right place at the right time. with a contemporary twist on the traditional toastmaster. I also add my special blend of magic and mind-reading to your reception. You can leave it to me to create a relaxed vibe that brings all your guests together and gives everyone plenty of laughs and mind-blowing gasps.

With half-day package I'm your emcee and entertainer from the start of your reception until after the speeches. From the moment your friends and family arrive I take care of them. As everyone waits to be photographed I use my magic and mind- reading to entertain and surprise them – perfect for capturing natural, documentary style snaps.

Throughout the reception I keep everything running smoothly with perfectly-timed introductions and announcements. Add to that the magical entertainment – including a mini-show before the speeches as a warm up intro for you.

Over the years Sav has entertained guests in many exclusive hotels, resorts, celebrity parties plus many wonderful weddings.
